

## **THOR GUARD LAWSUIT STATUS**

Many of you have seen the Thor Guard Lawsuit website which has not been updated since last year.

We do not know who owns this site but as you can see, it is not from a reputable company.

On Monday, March 16th, 2020, the case brought forth by Gallo and Quinn, Case Number 3:18-cv-00811-TJC-MCR, was dismissed, without prejudice, in the Middle District of Florida Federal Court.

For all of our friends and customers who have supported us during this challenge, thank you.
